

EDUCATION POLICY

ACLI-ENAIP is a provider for the educational needs of adults and children from all backgrounds throughout their lives. Its mission is to:

- be a centre of excellence for children and adults learning, specialising in the teaching of Italian Language and ESOL Skills for Life
- provide a wide range of learning opportunities for the dignity of self-improvement, the achievement of personal potential and fulfilment, and the creation of a better society.
- contribute significantly to the delivery of national and regional priorities for adult learning, and to the development of a community of learners, by developing skills and knowledge, providing routes into study and for progression, and making available opportunities for professional development
- offer inspiring and supportive conditions in which individuals may learn and be creative
- celebrate diversity and foster equality of opportunity, encouraging the disadvantaged and the dispossessed to engage in structured learning
- collaborate with partners to extend the range of opportunities for students
- deliver high quality services to its students and other stakeholders in a friendly, efficient, and viable manner
- develop as a true learning community based on principles of integrity, transparency, commitment, and mutual trust, being open and responsive to change while valuing tradition.
