Acli & Enaip are service providers to students and Italians living in UK.

It is our policy to provide and maintain safe and healthy working conditions, safe equipment and work methods for all our employees, and to provide such information, training and supervision, as they need for this purpose.

We also accept our responsibility for the health & safety of other people who may be affected by our activities (students, clients, contractors and visitors).

The policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy and the way in which it has operated will be reviewed annually.

General guidelines relating to Health & Safety will be given to all employees and posted on staff notice board.
